President, SDCA

President's Report

With the completion of my 1st year as President, I would firstly like to thank our Executive team, secretary Fiona Tarran, treasurer Jason Tarran and vice president Brian Kibble. The SDCA could not function without their countless hours of voluntary work, and dedication to the operation of our cricket association.

Secondly, I would like to thank all our association delegates, who are nominated by their respective clubs. They attend all our association meetings and ensure the executives are held accountable in their specific roles, and raise any necessary issues and ensure they are dealt with swiftly & fairly.

Another thank you goes to our Cricket Victoria Regional Manager Ben DeAraugo, who is always available to discuss & willing to assist with any matters, and point the SDCA in the right direction.

A big thanks to our 2 permanent umpires Eric Franklin & Wayne Tarran, along with Casey Duncan who took on umpiring for the first half of the season (while injured). Also many thanks to our finals umpires Darren Deeble & Peter Baxter for B-Grade & Jake Sutherland & Shannon Jackson for C-Grade. We hope that we will have more permanent umpires in the coming seasons.

Also, thank you to all our coaches for Under 14's & Under 16's Northern Rivers rep teams and the clubs who volunteered their grounds to host these games, as well as the coaches & team managers for Country Week for both seniors & juniors.

As for the season, we started with off with 2 less A-grade teams, and unfortunately , the reigning B-Grade premiers, Merton had to pull out due to lack of numbers. With one extra team in C-Grade, we were able to have a final 6 for the first team & while not the perfect start to the season, overall we were only down 2 side over the 3 senior grades.

I would like to congratulate Broadford, Pyalong & Eastern Hill on winning their respective grand finals, while also congratulating Avenel, Seymour & Nagambie on making the grand final.

As for our juniors, we had the same amount of teams as the previous season in Under 16's & 14's and I would like to congratulate Broadford who defeated Alexandra in the 16's grand final & Eastern Hill who defeated Nagambie in the Under 14's grand final.

This season marked a new beginning for the Under 12's. The Association decided to implement Cricket Victoria's new formats and we successfully had 6 teams in each of the 2 different formats, and from all the feedback, it was a great success.

STAGE 1 (recommended for Under 10/11)
Time: 120 mins
Overs per team: Max 20
Pitch Length: 16m
No. of Players: 7
Boundary Maximum: 40m
Ball Size: Modified

STAGE 2 (recommended for Under 12/13)
Time: 180 mins
Overs per team: Max 30
Pitch Length: 18m
No. of Players: 9

Boundary Maximum: 45m
Ball Size: 142g

Our goal now is to retain all these players, and have them move into under 14's & under 16's, and then ultimately into senior cricket. This will only happen through dedicated coaches & committee at club level & also through assistance from the Association, JDO's & representative coaches.

This will be the aim of the SDCA's Executive for the coming years to ensure these players are retained in cricket & to continue to expand our competition. Please be assured that we will be doing everything possible to ensure we have more A-Grade sides in the coming years along with potentially more clubs. And this should make for an exciting few seasons ahead.

Please consider these points when you have the opportunity to vote on any potential changes that may be proposed tonight, that you not only take into account your own club's interest, but also consider what is best for the SDCA, and the future of the game in this region.

Regards

Ben Trezise
